Spring Harvest Festival

Our Spring Harvest Festival is coming up this Sunday, June 14th from 4:00-7:00pm and we'd love to have you there! This time of year, the farm is lush & green, and you get to see our summer veggies as babies.

The festival will be at our main farm site. [Click here for directions](#). We'll have an open house, farm tours, and kids' games. We'll even have wine tasting with Grant Ramey, one of the most exceptional organic wine-makers around. It's a great way for you to see where your food is really coming from!

We're planning to make this different from our fall harvest festival in that we're only publicizing it to our members. We're hoping that it will be a nice, intimate gathering for us all to get to know each other a bit better. You're welcome to bring any friends or family who are interested in learning about the farm (we do still have 7 veggie shares available). We hope to see you there!

Fruit Shares Start Next Week

Don't forget that our fruit shares start next Monday and Thursday the 15th and 18th! For those of you who are not signed up, please make sure that you take your veggies and not a fruit share by mistake. We do still have a couple of fruit shares left if you're hankering to join.

Find Us on Facebook!

We're joining the 21st century and have started a group on Facebook to help our members link up to carpool, share recipes, and chat about their veggies. Check us out at by [clicking this link](#)! We're also exploring the option of starting a blog for those of you who aren't on facebook. [Click here to check out our prototype](#). These are shiny new technologies to all of us at the farm, so please forgive us if we're a bit "newbie," and go easy on us as we learn!

Nevada City Pickup Options

Shares Still Available!

[Click Here](#) to download our brochure and sign-up form and call  530-292-3776 to make sure you start with next week's delivery.

Please don't forget to tell your friends about our veggies and fruit!

We are in search of a few Nevada City members who'd be willing to pick up their shares on Mondays at the Outside Inn instead of Thursdays for the rest of the season starting the week of June 22nd. If you're willing to make this switch, email info@mountainbountyfarm.com or call 292-3776.

Please note that we will be keeping the Thursday Nevada City pickup for those of you unable to change, but that you will only be able to pick up on the day of the week for which you are signed up.

For the first year ever, we have a big imbalance between the number of people picking up on Mondays and Thursday. We need to have a relatively even distribution to help us balance our harvest and ensure that everyone gets their fair share of luscious heirloom tomatoes!

Please let us know whether you'd be "happy to change" "willing to change" or just "willing to change, but only if you can't find others." Thanks for your help everyone.
